

Atharva Patil

Mumbai, MH | +919372535486 | contact@thecyberguy.in | <https://www.linkedin.com/in/atharva-patil02>

Objective

A detail-oriented IT professional with 1.5 years of experience in IT support, **network troubleshooting**, and systems administration. Proficient in diagnosing and resolving network issues involving **TCP/IP**, **DNS**, and **DHCP**, with hands-on experience in maintaining both wired and wireless connectivity. Currently preparing for the **CCNA certification** to deepen expertise in network fundamentals and routing protocols, while actively building practical cybersecurity skills through TryHackMe labs. Seeking a **networking role** to apply and expand technical knowledge in a challenging environment.

Experience

Desktop Engineer

S2 Infotech International Ltd (Client: Govt of Maharashtra, Mantralaya) | Mumbai, MH

(May 2025 - Present)

- Serve as the first point of contact for **network troubleshooting**, diagnosing and resolving connectivity issues related to **DNS**, **DHCP**, and **TCP/IP** protocols.
- **Deploy and maintain network configurations** for over 150 users, ensuring stable and secure wired (**LAN**) and wireless (**WLAN**) connectivity.
- Provide comprehensive **hardware and software support** for desktops, laptops (Windows/macOS), and mobile devices, ensuring minimal downtime.
- Manage and support high-profile video **conferencing meetings** using Polycom and Aver systems on platforms such as MS Teams, Zoom, Google Meet, and NIC.

Help Desk Technician

SP Consultancy | Mumbai, MH (Dec 2023 – Dec 2024)

- Provided remote IT support, troubleshooting hardware, software, and **network issues** to enhance user productivity.
- Managed **operating system updates, patches, and security configurations** to ensure system stability.
- Diagnosed and resolved **hardware malfunctions**, including desktops, laptops, and peripherals.
- Performed **network troubleshooting**, addressing connectivity issues and assisting with basic configurations.
- Documented technical issues and solutions to improve the company's **knowledge base** and prevent recurring problems.
